Contact: Richard Flenner

**DESCRIPTION:** Endorsed by the NMBA, ABA Insurance Services serves the banking industry by offering D & O, bond and related insurance to community banks across the country. This unique bank owned and banker directed insurance program has been a market leader for nearly 30 years and is recognized by insurance and banking professionals as a secure, stable and affordable source of coverage. Property & Casualty coverage for New Mexico banks is now available. Through the program's mutual reinsurer, American Bankers Mutual Insurance, Ltd., as distribution to banks has been declared for 24 consecutive years, totaling \$79 million. Visit [abais.com](http://abais.com) or Twitter @ABAInsSvcs.

### **COMPETITIVE ADVANTAGES**

- Coverage options specifically designed to meet the needs of community banks.
- Experienced underwriting and claims staff, many with banking or regulatory backgrounds.
- Free loss control resources, including e-newsletters, special reports and claims bulletins.
- Endorsed by the American Bankers Association, key ABA resources such as Dodd-Frank Tracker, Frontline Compliance Training, and eLearning courses are available.

### **COVERAGE AVAILABLE**

- Director & Officers Liability
- Financial Institution Bond
- Property & Casualty, including Mortgage Protection\*
- Broad Form Company Liability
- Employment Practices Liability
- Internet Banking Liability with Social Networking Endorsement
- Privacy Liability
- STAMP Surety Bond

*Due to pre-existing exclusive ABA vendor endorsements, Mortgage Protection from ABA Insurance Services is not an ABA-endorsed coverage program.*

We will work with your local insurance agent. For more information, call or have our agent call 800-274-5222 or visit [abais.com](http://abais.com).
